WORKING WITH A REAL ESTATE PROFESSIONAL

Pursuant to the Tennessee Real Estate Broker License Act, every Real Estate Licensee owes the following duties to every Buyer and Seller, Tenant and Landlord (collectively “Buyers” and “Sellers”):

1. To diligently exercise reasonable skill and care in providing services to all parties to the transaction;
2. To disclose to each party to the transaction any Adverse Facts of which Licensee has actual notice or knowledge;
3. To maintain for each party in a transaction the confidentiality of any information obtained by a Licensee prior to disclosure to all parties of a written agency agreement entered into by the Licensee to represent either or both parties in the transaction. This duty of confidentiality extends to any information which the party would reasonably expect to be held in confidence, except for any information required by law to be disclosed. This duty survives both the subsequent establishment of an agency relationship and the closing of the transaction;
4. To provide services to each party to the transaction with honesty and good faith;
5. To disclose to each party to the transaction timely and accurate information regarding market conditions that might affect such transaction only when such information is available through public records and when such information is requested by a party;
6. To give timely account for earnest money deposits and all other property received from any party to a transaction; and
7. A) To refrain from engaging in self-dealing or acting on behalf of Licensee’s immediate family, or on behalf of any other individual, organization or business entity in which Licensee has a personal interest without prior disclosure of such personal interest and the timely written consent of all parties to the transaction; and
B) To refrain from recommending to any party to the transaction the use of services of another individual, organization or business entity in which the Licensee has an interest or from whom the Licensee may receive a referral fee or other compensation for the referral, other than referrals to other Licensees to provide real estate services, without timely disclosure to the party who receives the referral, the Licensee’s interest in such a referral or the fact that a referral fee may be received.

In addition to the above, the Licensee has the following duties to Client if the Licensee has become an Agent or Designated Agent in a transaction:

8. Obey all lawful instructions of the client when such instructions are within the scope of the agency agreement between the Licensee and Licensee’s client;
9. Be loyal to the interests of the client. Licensee must place the interests of the client before all others in negotiation of a transaction and in other activities, except where such loyalty/duty would violate Licensee’s duties to a customer in the transaction; and
10. Unless the following duties are specifically and individually waived in writing by a client, Licensee shall assist the client by:
 - A) Scheduling all property showings on behalf of the client;
 - B) Receiving all offers and counter offers and forwarding them promptly to the client;
 - C) Answering any questions that the client may have in negotiation of a successful purchase agreement within the scope of the Licensee’s expertise; and
 - D) Advising the client as to whatever forms, procedures and steps are needed after execution of the purchase agreement for a successful closing of the transaction.

Upon waiver of any of the above duties contained in 10. above, a consumer must be advised in writing by such consumer’s agent that the consumer may not expect or seek assistance from any other licensees in the transaction for the performance of said duties.

41 **Responsibilities of Sellers and Buyers regarding presence of Recording Devices:**

42 Seller is responsible for compliance with state or federal law regarding usage of video or audio recording devices
43 while marketing or showing the property. Seller should seek legal advice regarding their rights or limitations related
44 to their actions.

45 Buyer is advised of the possibility that some properties may utilize security devices that record physical movements
46 or audio conversations. Therefore, Buyers should limit making comments concerning the value, features, or condition
47 while viewing any property.

AN EXPLANATION OF TERMS

48 **Facilitator/Transaction Broker (not an agent for either party).** The Licensee is not working as an agent for either party in
49 this consumer's prospective transaction. A Facilitator may advise either or both of the parties to a transaction but cannot be
50 considered a representative or advocate of either party. "Transaction Broker" may be used synonymously with, or in lieu of,
51 "Facilitator" as used in any disclosures, forms or agreements. [By law, any licensee or company who has not entered into a
52 written agency agreement with either party in the transaction is considered a Facilitator or Transaction Broker until such time
53 as an agency agreement is established.]

54 **Agent for the Seller.** The Licensee's company is working as an agent for the property seller and owes primary loyalty to the
55 seller. Even if the Licensee is working with a prospective buyer to locate property for sale, rent, or lease, the Licensee and
56 licensee's company are legally bound to work in the best interests of any property owners whose property is shown to this
57 prospective buyer. An agency relationship of this type cannot, by law, be established without a written agency agreement.

58 **Agent for the Buyer.** The Licensee's company is working as an agent for the prospective buyer, owes primary loyalty to the
59 buyer, and shall work as an advocate for the best interests of the buyer. An agency relationship of this type cannot, by law, be
60 established without a written buyer agency agreement.

61 **Disclosed Dual Agent (for both parties).** Refers to a situation in which the Licensee has agreements to provide services as
62 an agent to more than one party in a specific transaction and in which the interests of such parties are adverse. This agency
63 status may only be employed upon full disclosure to each party and with each party's informed consent.

64 **Designated Agent for the Seller.** The individual Licensee that has been assigned by the Managing Broker and is working as
65 an agent for the Seller or property owner in this consumer's prospective transaction, to the exclusion of all other licensees in
66 licensee's company. Even if someone else in the Licensee's company represents a possible buyer for this Seller's property, the
67 Designated Agent for the Seller shall continue to work as an advocate for the best interests of the Seller or property owner. An
68 agency relationship of this type cannot, by law, be established without a written agency agreement.

69 **Designated Agent for the Buyer.** The individual Licensee that has been assigned by the Managing Broker and is working as
70 an agent for the Buyer in this consumer's prospective transaction, to the exclusion of all other licensees in the company. Even
71 if someone else in the Licensee's company represents a seller in whose property the Buyer is interested, the Designated Agent
72 for the Buyer shall continue to work as an advocate for the best interests of the Buyer. An agency relationship of this type
73 cannot, by law, be established without a written agency agreement.

74 **Adverse Facts.** "Adverse Facts" means conditions or occurrences generally recognized by competent licensees that have a
75 negative impact on the value of the real estate, significantly reduce the structural integrity of improvements to real property or
76 present a significant health risk to occupants of the property.

77 **Confidentiality.** By law, every licensee is obligated to protect some information as confidential. This includes any information
78 revealed by a consumer which may be helpful to the other party IF it was revealed by the consumer BEFORE the Licensee
79 disclosed an agency relationship with that other party. AFTER the Licensee discloses that licensee has an agency relationship
80 with another party, any such information which the consumer THEN reveals must be passed on by the Licensee to that other
81 party.

DISCLAIMER NOTICE

The Broker and their affiliated licensees (hereinafter collectively "Licensees") are engaged in bringing together buyers and sellers in real estate transactions. Licensees expressly deny any expertise with respect to advice or informed opinions regarding any of the following matters. This Disclaimer Notice is an express warning to all sellers and buyers that they should not rely on any statement, comment or opinion expressed by any Licensee when making decisions about any of the following matters, including the selection of any professional to provide services on behalf of buyers or sellers. Any professional selected by buyers or sellers should be an "independent, qualified professional", who complies with all applicable state/local requirements, which may include licensing, insurance, and bonding requirements. It is strongly recommended that buyers include contingency clauses in their offers to purchase with respect to these or any other matters of concern and that buyers, in writing the offer, allow enough time to get an evaluation of the following matters from an independent, qualified professional. The matters listed below are not an exclusive list of actions or circumstances which are not the responsibility of the Licensees with whom you work. These items are examples and are provided only for your guidance and information.

- 1. THE STRUCTURAL OR OTHER CONDITIONS OF THE PROPERTY.** Consult with professional engineers or other independent, qualified professionals to ascertain the existence of structural issues, the condition of synthetic stucco (E.I.F.S.) and/or the overall condition of the property.
- 2. THE CONDITION OF ROOFING.** Consult with a bonded roofing company for any concerns about the condition of the roof.
- 3. HOME INSPECTION.** We strongly recommend that you have a home inspection, which is a useful tool for determining the overall condition of a home including, but not limited to, electrical, heating, air conditioning, plumbing, water-heating systems, fireplaces, windows, doors and appliances. Contact several sources (like the Tennessee Department of Commerce & Insurance (<http://tn.gov/commerce/>), the American Society of Home Inspectors (www.ashi.com), the National Association of Certified Home Inspectors (www.nahi.org), and Home Inspectors of Tennessee Association (www.hita.us) and independently investigate the competency of an inspector, including whether he has complied with State and/or local licensing and registration requirements in your area. The home inspector may, in turn, recommend further examination by a specialist (heating-air-plumbing, etc.). **Failure to inspect typically means that you are accepting the property "as is".**
- 4. WOOD DESTROYING ORGANISMS, PESTS AND INFESTATIONS.** It is strongly recommended that you use the services of a licensed, professional pest control company to determine the presence of wood destroying organisms (termites, fungus, etc.) or other pests or infestations and to examine the property for any potential damage from such.
- 5. ENVIRONMENTAL HAZARDS.** Environmental hazards, such as, but not limited to: radon gas, mold, asbestos, lead-based paint, hazardous wastes, landfills, byproducts of methamphetamine production, high-voltage electricity, noise levels, etc., require advanced techniques by environmental specialists to evaluate, remediate and/or repair. It is strongly recommended that you secure the services of knowledgeable professionals and inspectors in all areas of environmental concern.
- 6. SQUARE FOOTAGE.** There are multiple sources from which square footage of a property may be obtained. Information is sometimes gathered from tax or real estate records on the property. Square footage provided by builders, real estate licensees, or tax records is only an **estimate** with which to make comparisons, but **it is not guaranteed**. It is advised that you have a licensed appraiser determine actual square footage.
- 7. CURRENT VALUE, INVESTMENT POTENTIAL, OR RESALE VALUE OF THE PROPERTY.** A true estimate of the value can only be obtained through the services of a licensed appraiser. No one, not even a professional appraiser, can know the future value of a property. Unexpected and unforeseeable things happen.

This form is copyrighted and may only be used in real estate transactions in which Kenny Phillips is involved as a Tennessee REALTORS® authorized user. Unauthorized use of the form may result in legal sanctions being brought against the user and should be reported to Tennessee REALTORS® at 615-321-1477.

NOTE: A real estate licensee's Comparative Market Analysis (CMA) or Broker's Price Opinion (BPO), etc., while sometimes used to set an asking price or an offer price, is **not** an appraisal.

- 8. BOUNDARY LINES, EASEMENTS, ENCROACHMENTS, ROAD MAINTENANCE, AND ACREAGE.** A survey can provide helpful information, including whether the road to the home is a public or private road. It is strongly advised that you secure the services of a licensed surveyor for a full-stake boundary survey with all boundary lines, easements, encroachments, flood zones, road information, total acreage, etc., clearly identified. It is also advised that you **not** rely on mortgage loan inspection surveys, previous surveys, plat data, or Multiple Listing Service (MLS) data for this information, even if acceptable to your lender.
- 9. ZONING, CODES, COVENANTS, RESTRICTIONS, AND RELATED ISSUES.** Zoning, codes, covenants, restrictions, home owner association by-laws, special assessments, city ordinances, governmental repair requirements and related issues need to be verified by the appropriate sources in writing. If your projected use requires a zoning or other change, it is recommended that you either wait until the change is **in effect** before committing to a property or provide for this contingency in your Purchase and Sale Agreement.
- 10. UTILITY CONNECTIONS, SEPTIC SYSTEM CAPABILITY, AND RELATED SERVICES.** The availability, adequacy, connection and/or condition of waste disposal (sewer, septic system, etc.), water supply, electric, gas, cable, internet, telephone, or other utilities and related services to the property need to be verified by the appropriate sources in writing (including but not limited to fire protection). You should have a professional check access and/or connection to public sewer and/or public water source and/or the condition of any septic system(s) and/or wells. To confirm that any septic systems are properly permitted for the actual number of bedrooms, it is recommended that sellers and/or buyers request a copy of the information contained in the file for the property maintained by the appropriate governmental permitting authority. If the file for this property cannot be located or you do not understand the information contained in the file, you should seek professional advice regarding this matter. For unimproved land, septic system capability can only be determined by using the services of a professional soil scientist and verifying with the appropriate governmental authorities that a septic system of the desired type, size, location, and cost can be permitted and installed to accommodate the size home that you wish to build.
- 11. FLOODING, DRAINAGE, FLOOD INSURANCE, AND RELATED ITEMS.** It is recommended that you have a civil or geotechnical engineer or other independent expert determine the risks of flooding, drainage or run-off problems, erosion, land shifting, unstable colluvial soil, sinkholes and landfills. The risk of flooding may increase and drainage or storm run-off pathways may change. Be sure to consult with the proper governmental authorities, elevation surveyors, and flood insurance professionals regarding flood and elevation certificates, flood zones, and flood insurance requirements, recommendations and costs.
- 12. CONDEMNATION.** It is recommended that you investigate whether there are any pending or proposed condemnation proceedings or similar matters concerning any portion of the property with the State, County and city/town governments in which the property is located. Condemnation proceedings could result in all or a portion of the property being taken by the government with compensation being paid to the landowner.
- 13. SCHOOL DISTRICTS AND OTHER SCHOOL INFORMATION.** It is advised that you independently confirm school zoning with the appropriate school authorities, as school districts are subject to change. Other school information (rankings, curriculums, student-teacher ratios, etc.) should be confirmed by appropriate sources in writing.
- 14. INFORMATION ABOUT CRIMES, METHAMPHETAMINE PROPERTIES, OR SEX OFFENDERS.** You should consult with local, state and federal law enforcement agencies for information or statistics regarding criminal activity at or near the property, the presence of methamphetamine manufacturing, or for the location of sex offenders in a given area.
- 15. LEGAL AND TAX ADVICE.** You should seek the advice of an attorney and/or certified tax specialist on any legal or tax questions concerning any offers, contracts, issues relating to title or ownership of the property, or any other matters of concern, including those itemized in this Disclaimer Notice. Real estate licensees are **not** legal or tax experts, and therefore cannot advise you in these areas.

91 **16. TITLE INSURANCE EXPENSES.** As the Buyer of real property, you have the right to obtain an Owner's
 92 Title Insurance Policy to protect your ownership. Once purchased, an Owner's Title Insurance Policy protects
 93 you for as long as you own the property (and potentially longer). There are two main types of title insurance
 94 policies available to the Buyer: (a) a Standard policy (which covers many claims affecting the land) or (b) a
 95 "Homeowner's" policy. The Homeowner's policy covers all the claims of a Standard policy – but it is also an
 96 expanded policy providing multiple additional coverages not included in the Standard policy, e.g. post policy
 97 issues such as an attempted fraudulent deed conveyance. Unlike other title protection alternatives (e.g. attorney
 98 title opinion letters) both the Standard and the Homeowner's policy are regulated products provided by
 99 insurance companies licensed under Tennessee law. It is the Buyer's responsibility to seek independent advice
 100 or counsel prior to Closing from Buyer's Closing Agency regarding the availability and coverage provided
 101 under an American Land Title Association Standard Owner's Insurance policy and, if available, a Homeowner's
 102 Title Insurance Policy. For more information, please visit these helpful links: [https://www.alta.org/news-](https://www.alta.org/news-and-publications/)

104 **17. RECOMMENDED INSPECTORS, SERVICE PROVIDERS, OR VENDORS.** The furnishing of any
 105 inspector, service provider or vendor named by the real estate licensee is done only as a convenience and a
 106 courtesy, and does not in any way constitute any warranty, representation, or endorsement. Buyers and sellers
 107 have the option to select any inspectors, service providers or vendors of the buyer's or seller's choice. You
 108 are advised to contact several sources and independently investigate the competency of any inspector,
 109 contractor, or other professional expert, service provider or vendor and to determine compliance with any
 110 licensing, registration, insurance and bonding requirements in your area.

111 **18. RELIANCE.** You understand that it is your responsibility to determine whether the size, location and condition
 112 of the property are acceptable prior to submitting an Offer on a property. Broker makes no representations as
 113 to suitability of a property to your needs. You acknowledge that any images or other marketing materials
 114 provided by the seller or brokers involved in the transaction electronically or in print may not display the
 115 property's features, flaws, odor(s), or size and that you shall not rely on such images when purchasing a
 116 property.

117 **19. MARKETING MATERIALS.** You acknowledge that photographs, marketing materials, and digital media
 118 used in the marketing of the property may continue to remain in publication after Closing. You agree that
 119 Broker shall not be liable for any uses of photographs, marketing materials or digital media which the Broker
 120 is not in control.

121 **The Buyer/Seller acknowledges that they have not relied upon the advice, casual comments, media**
 122 **representations or verbal representations of any real estate licensee relative to any of the matters itemized**
 123 **above or similar matters. The Buyer/Seller understands that it has been strongly recommended that they**
 124 **secure the services of appropriately credentialed experts and professionals of the buyer's or seller's choice**
 125 **for the advice and counsel about these and similar concerns.**

POWELL

Auction & Realty, LLC WIRE FRAUD WARNING

Criminals use many methods to steal our money, even when we are buying or selling a home – particularly involving wire fund transfers. Scammers typically will send an email that APPEARS to be from your agent, broker, lender, or the closing attorney/closing agency. Be on the lookout for:

- Phony email addresses (e.g., a slight change in the domain name), authentic-looking fake websites, phony fax numbers, texts, calls or social media messages from scammers.
- Any communication requesting information or directing you to a fake website, a criminal's email address or a criminal's bank account.

In preparation for closing, Buyers will often need to wire transfer funds from their personal bank to the closing attorney/closing agency.

NEVER ACCEPT WIRING INSTRUCTIONS FROM YOUR AGENT OR BROKER.

____ Initials ____ Initials

Rather, you should receive wiring instructions prior to closing from the closing attorney/closing agency or your lender. If the instructions are sent by email they should be in a secured manner. **DO NOT TRANSFER FUNDS UNTIL** you have verified the authenticity of the wiring instructions by at least one other independent means, including but not limited to the following:

- Call the phone number you used on all your prior calls (if the number came from a personally recognized or known source), or
- Call the closing attorney/ closing agency or lender after verifying their phone number from a known third party source, such as the entity's official website and/or public directory assistance (do not take the phone number directly from the wiring instruction form you received), or
- Make a personal visit to their office at the address you previously met with them.

If you send wiring instructions by email or any electronic means to anyone at your bank or other financial institution in preparation for closing, **DO NOT TRANSFER ANY FUNDS** until after you verify that the correct instructions were received by a known representative at your financial institution. Also, it is important to confirm with the financial institution that the **WIRE INSTRUCTIONS ARE NOT TO BE SUBSTITUTED WITHOUT YOUR PRIOR CONSENT.** Any wiring instructions sent should be sent in a secured manner. Be especially aware of any request to change any of the original wiring/money transfer information, change in the person you have been working with on the transaction, or a subtle difference in their behavior, speech, or grammar. These are some signs of a potential scam. Wiring instructions for closing attorneys, title companies and lenders rarely if ever change, so any request to change this information should be handled with caution.

If you suspect you may be a victim of wire fraud or that you may have received suspicious phone calls, emails, text messages, faxes, social media messages, emails from a fake address, a change in contact person at your bank or mortgage company, or changes to wire transfer or financing institutions:

- **IMMEDIATELY** call your bank and/or mortgage company at the phone number you used in all prior calls.
- Then, call your agent at the phone number you used in all prior calls.
